Dear Parents

Greetings of the day!

Welcome to all in the on-going session 2020-21. I wish good health and high spirit to keep you up in the critical period of Covid-19. Stay Home Stay Safe is the best remedy to make you & your children secure from this pandemic. It is our duty to stand by the nation during this unforeseen, unsaid situation. Patience & precaution are the basic necessities to cope up with safety & security of our lives.

Education is the basic right of every child & it is our foremost duty to keep into consideration the all round development of your children side by side to abide by the national call of Lock down. To do our best to fulfill the purpose, we have planned E-learning through Google Meet app. The schedule of this programme has already been started from Monday i.e. 11.05.2020 with keen observation into the basic necessities of the students.

Teachers are doing their best to interact with children about lesson teaching. It becomes your earnest duty that the child attends the classes attentively & regularly. Make it a habit of the child to complete the homework given by the teacher. You can share your queries with subject teachers personally when there is need. Moreover engage your child in other activities like Book Reading, Exercise, creativity and playing indoor games. Teach them Moral Values of politeness, perseverance, regard to elders and to be discipline at home. Life is full of challenges, accept it.

WISH YOU ALL THE BEST!

NOTE:

The parents will have the privilege to talk to the particular subject teacher on 21st, 22nd, 23rd May, 2020 after online class. They may discuss the queries regarding the classes attended by their wards.

**With Regards
